

# Ending Veteran Homelessness in New Hampshire

At the 2023 Ending Veterans Homelessness Summit in June, the Veterans Steering Committee comprised of New Hampshire Department of Military Affairs and Veterans Services, NH Department of Health and Human Services, Harbor Care, Easterseals and the Veteran's Administration, put out a challenge to landlords and property managers to permanently house 50 Veterans in five months by Veteran's Day November 11th. To date with our partners, NH has permanently housed 27 Veterans.

*2023 Goal - 50 Veterans housed in 5 Months*

As of 17 August
